# Creating Life

The Art of World Building, #1

by Randy Ellefson

## About the Book

*Creating Life* is a detailed how-to guide on inventing believable life. With chapters on creating gods, species/races, plants, animals, monsters, heroes, villains, and even undead, it draws on the author's quarter century of world building experience. Pointed questions, and an examination of answers and their repercussions, will help readers decide on goals, how to reach them, and whether they are even worth pursuing. Always practical, *Creating Life* will quickly improve the skills of beginners and experts alike. Build better, faster.

## About the Author

Randy Ellefson has written fantasy fiction and created fictional worlds since the 1980s. He's the founder and lead instructor at World Building University. He blogs twice a week on the subject and hosts a popular podcast with over 25,000 downloads. The prestigious *Writer's of the Future* contest has recognized his writing three times.
